The above information as provided to us by the Hotels. While Texas Star Tournament strives to maintain the accuracy of the information, we cannot guarantee its accuracy. If you find any discrepancies, please let us know and we will work to resolve the issue. Distance/Miles to Ice Centers is approximate.

All room reservations must be made through the official Texas Star Tournament Lodging Coordinator as noted in our tournament information. Individual hotels or National / Regional reservation systems will not reserve qualifying tournament rooms under any circumstances. Upon receipt of your room reservation request, all team and individual reservations will be immediately charged a \$25 per night per room deposit. This will show up on your credit card statement as a charge by Texas Star Tournaments. Under no

circumstances is this charge refundable. The remaining balance will be charged and collected by your individual hotel at the time of stay. Individual rooms may be canceled without additional penalty or charge in accordance with individual hotel policies. All teams must arrive in time to begin play on Saturday morning at 6:00am and remain until the tournament is completed on Monday afternoon. Therefore, it is expected that teams will have a three-night lodging commitment. Any alterations to that commitment, at any time, without the permission of the Lodging Coordinator may be cause for team or individual removal (without refund) from any Texas Star Tournament participation.
