TOURNAMENT DIRECTOR - TOM RIZZARDO - as amended DECEMBER 1, 2010

2011 TEXAS STAR WINTER CLASSIC HOCKEY TOURNAMENT ROSTER POLICY

The following is a synopsis of the Texas Star Winter Classic Tournament Roster Policy. Each year, we are approached with questions regarding rostering players and coaches. Hopefully, this will address all of your concerns or questions. This policy is a supplement to and further explanation of the Texas Star Winter Classic Rules, Regulations, Policies, and Procedures and does not alter any of its provisions.

- The tournament roster deadline of **January 7th** is firm and noted on your web site roster entry form. We will freeze all tournament rosters at that time and no additions will be allowed after this date. Deletions can be made at any time. Rosters are limited to 20 players and 4 coaches. Team Managers are not counted as coaches but may be listed as a coach, if appropriate certification has been obtained, as well as the team manager.
- What is the difference between the **USA Hockey (1-T form) or International official roster** and your tournament roster? Your **tournament roster** is all official players & coaches who will actually be in attendance at our tournament. We use these rosters in our automated scoring system. It may not contain all of the players & coaches that are listed on your official rosters but all of those on the tournament roster must be on your official roster. *Note - Multiple official rosters (from different association teams) may be used if you are pulling kids together from within your own association... example... *An XYZ peewee player pulled from another association team to play with the attending ABC Bantam team.* Ensure I receive all pertinent official association team rosters.
- Players may not be tournament rostered on more than one team without the written consent of the Tournament Director. Very few exceptions will be granted and usually involve a goaltending issue. Any player rostered on more than one team will be asterisked on the team's tournament rosters and specific guidance as to the team(s) ability to use that player will be noted by the Tournament Director. Any player rostered without such permission will be suspended from the tournament and the team(s) will forfeit all affected games.
- All coaches must be listed on the tournament roster as well as on the official team rosters (USA Hockey 1-T form or International form) and registered at the appropriate certification level. Coach's certification at the proper level is required and cards should be carried by all coaches and available for review if requested by the Tournament Director.
- All teams will be held accountable for the integrity of their rosters at all times.
